NKU CHASE 2012 COMMUNITY SERVICE PROJECT INFORMATION

WHO: All incoming IL students (day and evening divisions) are required to attend and participate.

WHAT: The service project provides you with the chance to serve the community while getting to know your classmates. Most of the service will occur outside and involve manual work, so you should dress accordingly (i.e., shorts or jeans and sneakers are appropriate). Please wear your new NKU Chase t-shirt (given during the week of LAPS), and bring work gloves, hat, and sunscreen for outdoor work. (You may wish to bring clean shirt/shorts for the lunch and student organization fair.)

WHEN: Saturday, August 18, 2012

TIME: 8:30 am – 1:30 pm

Report to NKU Chase (Nunn Hall, 1st floor at 8:30 am) to receive your assignments and directions. Please wear your new NKU Chase t-shirt (which you will receive during LAPS courtesy of the Chase Alumni Association). You will carpool to the volunteer sites in groups to work for approximately 2 ½ hours and will return to campus by 12 noon. At that time, you will enjoy lunch and a student organization fair in the Student Union Ballroom. The program will conclude no later than 1:30 pm.

WHERE: The current list of sites for community service includes the following (others may be added later):

- **City of Alexandria- Alexandria Fair Board.** Students will do cleaning, light yard work and possibly painting.

- **Redwood.** Students will clean toys in classrooms and do some weeding.

QUESTIONS OR SPECIAL REQUESTS: If you have any physical limitations or if you have a preference for a particular work site, please contact Denise Taylor at taylord@nku.edu. Other concerns or questions may also be directed to Denise.
