

NKU Chase College of Law Student Directory 2017 - 2018

NKU Chase College of Law annually creates a student directory which includes photos, names, addresses, phone numbers, class year, and NKU e-mail addresses of all Chase students. The directory is made available on the "STUDENTS" page of the Chase website on a password protected site. If you wish to be EXCLUDED from this directory, you must notify the Chase Registrar by returning this form to the Registrar's Office, Nunn Hall, Room 314.

The directory includes a head shot that is taken from the student's Northern Kentucky University All-Card. Due to publishing and time constraints, we cannot use submitted or other photos. If you DO NOT want your photo to be included in the directory, please return this form to the Chase Registrar's Office.

Under the Family Education Rights & Privacy Act (FERPA), directory information about a Chase student may be released without the student's consent unless the student has placed a privacy restriction on its release through the Chase College of Law Registrar's office. (You can find more information regarding FERPA on the Chase Registrar's website).

If this form is not returned, it will be assumed that you do not object to the publishing of your information or photo in the directory.

- I wish to be excluded from the Student Directory.
- I wish to be excluded from the NKU Find-it Directory.
- I wish to be included in the Student Directory, but exclude my photo.

Name: _____
