FALL REGISTRATION

Full-time Rising 2Ls: You must take Constitutional Law, Criminal Law, and Evidence in the fall. You are allowed to register for any section of these three courses (including evening, but there are course caps). Your 1L section numbers do not apply to these courses. Keep in mind, however, you must stay in the same section of Constitutional Law for the entire year.

Part-time Rising 2Ls (evening): You will be taking Interviewing, Counseling, and Negotiating, which will have some classes in the fall and some in the spring. It will be a two-credit course, meeting on some Saturdays in the fall and some Saturdays in the spring. Your grade will be given in the spring, but one graded hour will be “backdated” to the fall once the course is complete. You will also be taking Civil Procedure I and Criminal Law in the fall.

Part-time Rising 3Ls: You must take Constitutional Law and Business Organizations in the fall. You can also take additional courses if you would like to do so. Obviously, taking additional courses will allow you to graduate more quickly.

Part-time Rising 4Ls: You must take UCC Basics and Wills & Trusts in the fall. You can also take additional courses if you would like to do so. Obviously, taking additional courses will allow you to graduate more quickly.

Upper-level students (non-1Ls in the full-time program and 3Ls and 4Ls in the part-time program): You are allowed to take Required courses in either division (day or evening), assuming there is space available. Electives with two sections must, however, be taken in your division (day/evening). If you want to take one of those elective courses (ones with a day section and a night section) out of your division, you must put your name on the waitlist, and Jenny will contact you if there is space available. If an elective has only one section, you are free to register for it, regardless of the division. One exception is the Saturday ICN course, which is limited to PT evening students only!

Overloads and Underloads: As provided in the Student Handbook, the required course load for full-time students is 12-16 hours. The required course load for part-time students is 8-11 hours. Students who wish to deviate from the required course load must submit a written petition, via email from a student’s official NKU email account, to Ashley Siemer, demonstrating good cause for the request to take an overload or underload. Full-time students who petition and are approved to take more than 16 credits (up to a maximum of 18) pay an additional per-credit-hour rate for the overload hour(s).

Remote or “Live”? - This issue is still TBD for some classes, but we are hoping that most classes will be taught in person.

PRIORITY REGISTRATION PROCESS FOR FALL 2022

Students will register for fall 2022 courses using a priority “windows” registration system. This form of registration will assign students registration times based on the number of earned credit hours at the time of registration, thereby improving the process of registration for limited-enrollment courses. Students will register during their designated time periods on a first-come, first-served basis. Students will automatically be blocked from logging in and registering until their designated window period.
Limited-enrollment courses will be capped and will “close” once all available seats are taken. Students who are closed out from registering for limited-enrollment courses will be able to sign up on a waiting list for those courses. A waiting list sign-up sheet will be placed on the Registrar’s bulletin board (on the third floor) after priority registration ends. If/when openings occur in limited-enrollment courses, students on the waiting list with the most earned credit-hours will be offered enrollment.

_Pursuant to ABA Standards, students cannot “double-dip” and use a course for an AWR requirement and the “experiential” requirement._

The priority registration schedule for the fall 2022 semester follows (hours indicated are the hours earned as of the time of registration):
