

SUMMER REGISTRATION

WHICH COURSES SHOULD I TAKE?

Part-time evening students should take Contracts (which will be on-line) if they have not yet done so.

Part-time evening students who have taken Property and Contracts should take Family Law and/or Professional Responsibility (you should take at least six credit-hours in the summer).

Full-time students can take any courses for which they are eligible (based on prerequisites and required credit-hours).

Remote or “Live”? - On-line classes will be highlighted in yellow.

PRIORITY REGISTRATION PROCESS FOR SUMMER 2023

Students will register for summer 2023 courses using a priority “windows” registration system. This will assign students registration times based on the number of earned credit hours at the time of registration, thereby improving the process of registration for limited-enrollment courses. Students will register during their designated time periods on a first-come, first-served basis. Students will automatically be blocked from logging in and registering until their designated window period.

Limited-enrollment courses will be capped and will close once all seats are taken. Students who are closed out from registering for limited-enrollment courses should email Jenny Young, and she will put you on a waiting list. If/when openings occur, students on the waiting list with the most earned credit-hours will be offered enrollment.

Pursuant to ABA Standards, students cannot “double-dip” and use a course for an AWR requirement and for the “experiential” requirement (or for two AWR requirements).
